FILE COPY

On July 21, 1994, the Medical Board received argument on the Division of Enforcement's Petition for an Order requiring Martin E. Farbstein to undergo a professional competency examination for the use of the Board in its investigation of Dr. Farbstein [investigative file # 94 MED 226].

Having heard argument in this matter and upon review of the petition and all materials submitted by the parties, the Board in this matter makes the following:

FINDINGS OF FACT

1. Martin E. Farbstein, M.D. (D.O.B. 02/17/26) is duly licensed to practice medicine and surgery in the State of Wisconsin (license #14207). This license was first granted on January 12, 1962. Dr. Farbstein's registration to practice medicine in Wisconsin is current.

2. Dr. Farbstein's most recent address on file with the Wisconsin Medical Examining Board is 411 South Prospect, #202, Galena, IL 61036. 311 S. Howell Ave., Milwaukee, Wisconsin 53207. The Division of Enforcement's last written contact with Dr. Farbstein showed a mailing address for Dr. Farbstein of 6933 Borderbrook, San Antonio, TX 78238.

3. The Department of Regulation and Licensing has pending before it an investigation concerning Dr. Farbstein's practice [investigative file #94 MED 226.] This investigation is based upon information received relevant to an action pending against Dr. Farbstein's license to practice medicine in the state of Iowa. The Iowa action raises questions about Dr. Farbstein's

competency to safely practice medicine.

4. The Board concludes that it would be useful to its investigation that Dr. Farbstein undergo complete mental, physical and competency examinations.
